THE HAMMOCKS AT MARATHON™

 CLUB RESORT

**1688 OVERSEAS HIGHWAY
MARATHON, FLORIDA 33050
305.743.9009**

The Hammocks at Marathon is the Florida Keys at its best. The entrance road envelops you in lush tropical foliage and Caribbean music greets you at the door. The glass-enclosed lobby is impressive with its 60-foot cathedral ceilings and saltwater aquarium of a living coral reef.

With so much to do on site, you might not even want to venture out. The resort is bayside with a view you'll never forget. Admire a menagerie of wildlife, from parrotfish, tarpon and lobster in the lagoon, to egrets, herons and pelicans among the mangroves. And don't be surprised to see an iguana perched amid the resort's dense vegetation. Palm trees, hammocks and tiki torches dot the landscape, while a sparkling pool and hot tub invite you to relax.

For an energetic atmosphere, turn to **Barnacle Barney's Tiki Bar & Grill**, an open-air tiki bar and grill overlooking the on-site marina. The tiki bar and grill offers two TVs, beer, wine, frozen drinks and a full menu, including local favorites from both land and sea. Every evening, Barnacle Barney's hosts a "sunset celebration" punctuated by a cannon salute as the sun touches the horizon. You'll also want to be on the lookout for our monthly pirate invasions!

Both water sports and fishing are only steps away. You can rent kayaks, boats and jet skis on site or charter a fishing boat for a thrilling day at sea.

Marathon is located midway along the Florida Keys. At heart, it is a charming 18th-century fishing village, but the pace has picked up a bit with plenty of shopping and dining choices. Marathon is a family destination and one of the few places on Earth where you can watch the sunrise on one side of the road and the sunset just across the street. Marathon is the ideal destination for snorkeling and diving, Jet Skiing, and boating. When it comes to fishing, few places offer more diversity. This is tropical Florida at its best.
